- Gazebo – Checking on pricing for a larger unit than originally quoted.
- Funding – The village has approximately \$20,000.00 remaining for this project.
- Tree/Planter boxes – Garden Club would like to donate a couple of trees recognizing members who are 90years old, and perhaps have the member markers, that were removed from tree's taken down by the school, added to new tree's in the park. Move downtown planters into the park area.

Mayor Harman thanked everyone for attending and adjourned the meeting at 8:25p.m.
